This is a petition for police protection. Govt.Pleader submitted that a complaint by the petitioner was already registered and action is being taken and now there is no dispute. In the above circumstances, we direct the police to give adequate protection to the petitioner to carry out loading and unloading works of the premises of Hi-power Hollow Bricks without any obstructions by the 3rd respondent union or its supporters from interfering into the work. Union or workers cannot take law into their hands. They have to raise disputes before statutory authorities. This order will be without prejudice to the rights of the workers of the 3rd respondent

union to raise industrial disputes. With the above observations this writ petition is disposed of.
